PMR Ltd. Sp. z o.o., ul. Mogilska 65, 31-545 Kraków

PMR Report

- **Unique 5-year forecasts** prepared by the PMR team using a **proven and coherent methodology**
- **Expert commentary** allowing for a better **understanding of the current and future situation** and **opportunities and threats**
- Description of the main **trends and legal changes** affecting the market

Database of report stats

- An Excel file containing all the key statistics from the report, **allowing the reader to arrange and manage the data according to their own needs**
- **A useful tool for analysts** – allows for data from the report to be easily merged with internal company data or other external data

What is the content of the report?

Evaluate key components of the construction sector in Kazakhstan...

- **Trends** – review how recent market trends impact the market
- **Market value** – review current numbers and **estimates for growth** in the residential, non-residential, and civil engineering segments, then invest successfully in Kazakhstan
- **Forecasts from 2017 to 2022** – examine prognoses of PMR's team of highly experienced analysts and develop your business in the country
- **Market situation** – stay updated on current **building material prices, wages** and **employment rates** in order to adjust your commercial offer to current demand
- **Competitive landscape** – study the companies involved in the most prestigious **construction projects**, their **plans**, and **prospects**; use this knowledge to make effective decisions.

5 Reasons to choose PMR

- 1 The **solid foundation** of value and growth data for the construction market in Kazakhstan over the coming years
- 2 Included **unique forecasts till 2022** useful while budgeting and planning expenses
- 3 Supplied **expert analysis** helps reduce investment risk when entering a new market or engaging in mergers and acquisitions
- 4 The report **provides reliable data** necessary in creating business development strategy
- 5 **Analysis of the market's leading players** and key trends in this area of industry

Who benefits from the PMR report?

- Construction contractors conducting or initiating operations in Kazakhstan
- Business development managers and project management specialists
- Marketing and sales employees from construction machinery
- Building materials manufacturers and distributors
- Design and project management firms
- Construction sector organisations and financial services providers
